Welcome to the 2010 Western Grands - Tuesday

## WELCOME to TEXAS!!!

I would like to say thanks again to everyone who has made their way to the River City Quarter Midget Club. We have worked for over a year, as a club, to make our facility ready for the 2010 Western Grands. We are very glad you came.

Remember, the policy here is that **NO ONE** under the age of 18 yrs old can drive, steer or operate a Golf Cart or ATV. This is for insurance purposes. We have had a few calls from our landlords at the VFW about people playing on the carts and being creative with tire art on their pavement. **PLEASE** respect their property as we want to stay here for many years to come. If this continues, we will have no choice but to ban the use of all Golf Carts. That would be detrimental to those that really need them. So please, everyone, help us out!

I would like to thank all the ladies that have been working the Pit Area. You are doing a **GREAT** job! You have really helped the program move along! We really appreciate all of your help! We need to ask for volunteers to corner work. We know that all of you want to watch your child race, so please help out. We are a small club and need everyone to help us have a great Grands!

Give your driver the best chance to make it to the A Main here at the Grands! Be sure to check your car and driver weight **BEFORE** you get in line for Qualifying. Double check all nuts and bolts. Check your car width and **NEVER** leave the **SCALE AREA** before you are sealed!

It is very important to keep your driver hydrated. Water is the **MOST** important thing you should have on your pit cart.
