Kassidy Michael is from Manheim, Pennsylvania and just eight years old and just raced in her very first Grands! She competed in Junior Honda, finishing in the J main, and Light 160, finishing in the M main. Kassidy's dad took her to her first race at age five where she fell in love with racing and told him she wanted to race. Kassid's favorite racing memory is winning her first states race ever at Syracuse, New York. Before each race Kassidy's mom tells her "have fun and see ya at the finish line!" After quarter midgets Kassidy wants to continue racing but she doesn't have any definite plans.

Three kids, six cars, and three Grands are all in the plans for the Tobey family (Chalfont, Pennsylvania) this summer. Lisa and Mark are the parents of Chris Torgalski (16), Matt (9) and Nicole (7).

Mark first got into quarter midgets by sponsoring a driver. A few years later he began racing with Chris, "I guess I wanted no money left in my wallet," Mark said.

The Tobey's enjoy working as a family and all have their own responsibilities at the track, "Nicole's job is just to eat," said Lisa with a smile. Not only are the Tobey's a tight knit family but they are also successful on the track. Chris has a track

record in Heavy World Formula at Syracuse, New York, Matt has a track record in Junior Stock at Honeybrook, Pennsylvania, and Nicole won the dirtiest kid contest at the Terre Haute Grands.

Peanuts, the family dog, also rides along to all the races. Peanuts runs away every Grands he has attended. He was even picked up by a police officer! Hopefully Peanuts won't run away from Mini Indy! Look for the Tobey's and Peanuts around the track this week!

The Results of Dodi Will You Marry Me was YES! SUCCESS!
Congratulations to Jeff and Dodi!

**Who is John Furrey?
He is 'Shorty Mufflers'**

Since the age of 10, John Furrey has LOVED 1/4 Midgets. He use to go to the local track and just look in awe at the kids in racecars. His mom use to say - "how sad this is... this is a bunch of frustrated parents - living thru their kids". John wanted to be one of those kids! At 13 yrs, John hooked up with a friend who raced and he tagged along to every event. In 1987, John & Vanessa's son, Charlie was 4 yrs old... and driving a 1/4 Midget. From 1989-1990, John's neice Emmy also raced. In the early years, Furrey drew the plans for the Miami Valley Track & together with friends John Saunders & Matt McClelland built the 1/4 Midget Track at Kil-Kare Speedway, Xenia, Ohio. John Saunders passed away in 1982. Furrey purchased a bunch of top notch DECO engines from Saunders Family. He loved the DECO power plants. Back then... everyone just put on an exhaust. They all looked the same, no matter the class. When you are a parent of a 1/4 Midget kid... your goal is to make your kid as fast as possible. Furrey experimented with every possible exhaust configuration. Now he is the most accomplished Exhaust (headers) manufacturer! John Furrey turned 61 yrs old last Sunday. For over 50 years Furrey has loved QuarterMidget Racing. "I love working with these Kids! There is nothing better than seeing those faces when they have accomplished a Win! John Furrey.... still here in 1/4 Midget Racing & God Willing... will be here for many more!
