Quarter Midget Racing Association
December 3 - December 7, 2008

Welcome to the 2008 Silver State Winter Nationals

I would like to take this opportunity to welcome everyone that is joining us for the 13th annual Silver State Winter Nationals presented by Good Times QMRA. This is a wonderful event filled with lots of great racing and fun for the entire family.

The host hotel Buffalo Bills offers a great rate for all participants. Please make sure to use our group code. There is a huge arcade located within the hotel for the kids to enjoy as well as many different restaurants with various menus. For all the adults there is a full floor of gaming from Blackjack to slot machines, a usual hangout for the handlers to catch up about the past months of racing. Next door to the facility is an outlet shopping mall full of specials for the upcoming holiday season as well as a food court. The other two casinos located adjacent to Buffalo Bills also have some great restaurants.

Our format remains the same as last year. The lineups for heat races will be determined by a pill draw and to help our young racers adapt to the race track itself, we will have two 3 minute rounds of practice. We wish all of you the best of luck and thank you for attending.

Let the Good Times roll.

Gregg Boe
Good Times QMRA President

Quarter Midget Racing Association

December 3 - December 7, 2008

SIGN-IN

All cars need to be pre-registered to avoid late entry fees

All cars must pass safety before completing sign in process

All cars must be signed in to practice

All cars must be signed in and passed safety by Thursday, Dec 4th at 12:00 p.m. to be involved in pill draw to determine heats.

If you sign in after 12:00 pm you will tag rear of heat race.

Sign in will close Thursday, Dec 4th at 5:00 pm.

RACE FORMAT

Practice- Maximum 7 cars, 3 minutes 2 rounds time permitting

Time Limits- Subject to change

All races will have a time limit to be determined on race day. (If AA & Half drivers do not complete heat race prior to time limit, the cars **will not** refuel. The race will conclude with the 80 lap fuel limit.) the race finish will be determined on the next yellow/red flag that is thrown after the time limit has expired. The tower will score the finish by the last line up after the yellow/red flag.

Heats and Main Laps

All races will be run **HOT OUT OF THE CHUTE. (NO WARM UP LAPS)**

Heat Races will be 15 laps

Lower Mains will be 25 laps

Novice A Mains will be 25 laps

A Mains will be 30 laps Juniors/ 40 laps Seniors

Classes with two cars will run 10 lap heat and 10 lap main event

Classes with one car will run green, white, checkered flag.

Transfers - See Line-up/Transfer Grids

Line Up Order

All heat races will line up according to pill draw

Judging

Per QMA rules

QMA Code of Conduct will be strictly enforced

Tech

All engines will be sealed immediately after Heat after you cross scale. Handlers are responsible to see that their engine is sealed by Track official.

Top three finishers in each class will be impounded after the main Event

All cars signed in are subject to tech.

Fuel

No fuel will be provided. Mandatory fuel Chevron midgrade

Purchased at Primm, Nevada

Fuel and oil will be checked at Tech's discretion.

AA's and Halfs will have a 5 minute time limit to refuel. All drivers not ready to race when time expires will be sent to the pits and will start at the back of the pack, and must return to racing surface before the green flags.

Awards

First place ribbons will be awarded to all heat race winners.

First thru fourth place in Main events will receive U.S. Savings Bonds

General

The Good Times Board of Directors reserves the right to change the program/rules based upon unforeseen events or weather conditions.
