

Battle at the Brickyard

WELCOME to the USAC MOPAR "Generation Next" Round 9 INDIANAPOLIS MOTOR SPEEDWAY - It's Friday!

How happy is Indianapolis that you are here? Check out local Ice Cream/Hot Dog Shop called Twist & Pup! Take a left out of the speedway.. Twist & Pup is just a few blocks away! Several cameramen have been on site this week, speaking to lots of drivers. SPEED was here on Thursday. Saturday, local Channel FOX 59 will be here for A Mains. Sad to say...the Amsoil Sprint Cars at Lucas Oil Speedway were rained out on Thursday. It would have been cool for all of the .25 Midget drivers to see the USAC Sprint car event. The 2011 "Battle at the Brickyard" went well for Heat Race Day. Racing began by 8:30 in the morning with 43 races complete by 2 pm. Photos are available for purchase thru Indianapolis Motor Speedway photographer Ron McQueeney (317) 201-6205. Again, thanks to Denise Thomason for providing results and line-ups for you to follow. **Special Thanks to Briggs & Stratton for LUNCH on Thursday. The Pizza was AWESOME!**

Continue to Play the Mopar Trivia Challenge this Week!

Mopar: Authentic Performance
Mopar, the title sponsor of the USAC "Generation Next" .25 Midget Series is Chrysler Group LLC's service, parts and customer-care brand.

When Chrysler bought Dodge in 1928, the need for a dedicated parts manufacturer, supplier and distribution system to support the growing enterprise led to the formation of the Chrysler Motor Parts Corporation (CMPC) in 1929. Mopar (a simple contraction of the words MOTO and PARTS) was trademarked for a line of antifreeze products in 1937. It also was widely used as a moniker for the CMPC. The Mopar brand made its mark in the 1960s - the muscle-car era. The Chrysler Corporation built race-ready Dodge and Plymouth "package cars" equipped with special high-performance parts. Mopar carried a line of "special parts" for

super-stock drag racers and developed its racing parts division called Mopar Performance Parts to enhance speed and handling for both road and racing use. Mopar distributes approximately 280,000 parts and accessories in more than 90 countries and is the source for all original-equipment parts for Chrysler, Jeep®, Dodge and Ram vehicles. Mopar parts are unique in that they are engineered with the same teams that create factory-authorized vehicle specifications for Chrysler, Jeep, Dodge and Ram vehicles - a direct connection that no other aftermarket parts company can provide. Mopar also operates Express Lane, fast oil change service centers, at participating Chrysler Group LLC dealerships. A complete list of Mopar accessories and performance parts is available at <http://www.mopar.com>. Test your Mopar knowledge here at the Battle of the Brickyard by stopping by the Mopar display for your

chance to enter and win a Mopar Pride Pak. Answer five questions for a chance to be in the running for Mopar Pride Paks. Mopar personnel will be on hand to assist contestants with any of the questions they may be stuck on. Entering the Mopar Trivia Challenge is as simple as filling out an entry card, dropping it in the collection box and listening for the winning names to be announced. Also at the Mopar Display will be Mopar coloring books for the kids, along with Mopar temporary tattoos and Mopar decals.
